

Bubble World

Jay: Pink dress, purple dress, white dress...that's all I hear. Brown shoes, white shoes, yellow shoes. On and on and on. Me, me, me, me, me...You are so wrapped up in your little world, Jess. You're in this bubble that you need to break out of and realize that there are things in life other than having your face constantly in your phone. Becoming a zombie.

We never hang out like we used too. And whenever we do hang out you are either text messaging someone or calling someone else or hanging up posters on your bedroom wall. It's like the only time we can go anywhere or do anything is if it revolves around something just you want to do. God forbid I suggest something YOU don't like.

(beat)

We used to always do things together. I feel like we don't click anymore. For once it would be nice for you to call me and ask what I'm up to, do something I like doing for a change. I want us to hang out more and I want us to have fun again. Don't you?
