

Name _____ Date _____

English 9A Research Project
DUE DATE _____

Preview (500-800 words)

Reasons you chose your topic (What makes it interesting / important to you?)
Everything you know and think you know about your topic
Several questions you had about your topic at the beginning
Your specific RESEARCH QUESTION
A description of your research experience

The Paper (1200-2500 words)

- Introduction to topic
- Thesis (a focused response to your RESEARCH QUESTION)
- Body of your paper:
 - Information and explanation supported by appropriate research from at least three sources,
 - NONE of which is Wikipedia,
 - EACH of which is recognized as a credible authority in the area of your investigation,
 - and ALL of which are properly cited (in-text with WORKS CITED page).
- A conclusion that addresses your thesis

Individual Reflection (500-800 words)

A description of your experience researching and writing the project

Presentation (5-8 minutes)

A sharing of the information and insights you generated while researching and writing your paper.
Your presentation should be at least eight minutes in length and contribute to the class's general understanding of your specific topic. Your presentation may include illustrations and demonstrations as well as a thorough review of the text of your paper.
