### Our Camping Weekend

Last weekend our family went camping at Lake Nickaknock. Pitched our tent under some tall pine trees. After setting up camp. My sister and I swam in the lake until dark. Then we cooked hamburgers on the grill and roasted marshmallows over on open fire. Soon it was time to go to bed in our sleeping bags. The camping trip had certainly gotten off to a good start.

The next day we got up early and had breakfast. To go fishing. We caught twelve fish. After lunch, Dad took us all for a boat ride around the lake. Many colorful boats on the water. After our ride, we played volleyball with our neighbors in the camp. We had a great time relaxing and having fun with our friends.

The next morning, we were ready to pack up and go home. Down the path to the water. After that we loaded the car and headed home. We had such a good time that we have already decided to go again next year.
