❖ What is the domain of your research project? (circle one)

education

technology

social justice

environmental stewardship

❖ Write ten questions you have within your research domain.

1.

2.

3.

4.

5.

6.

7.

8.

9.

10.

❖ On what topic is your favorite, most significant question?

❖ Is your draft research question ...

○ **DEBATEABLE?** Do different points of view exist? What are some of them?

Can reasonable people disagree? What might they say, and why?

○ **PLAUSIBLE?** Is there evidence—valid reasons and support from published sources—for your position?  
What is one piece of supporting evidence from a credible source?

○ **CONSEQUENTIAL?** Is the topic important? To whom?

Is this a significant topic for investigation? Why?

Is the answer to your research question essential to determine? What will happen?
