

ENGLISH 9
New Open World Academy
Robert F. Kennedy Community Schools
Instructor: Waid

Welcome to English 9 at the NOW Academy. Many of you are returning to a place where you have done exceptional work and enjoyed significant success. Others of you are new to NOW, and we want to welcome you to our family. Either way, I hope you enjoyed some time off from school and that you are ready for a challenging, interesting, action-packed semester.

The following is a list of class rules and requirements.

1. Attendance is absolutely essential. It is the student's responsibility to find out what is missed during absence and to turn in all work immediately upon returning.

Class Rules: Please put away all food and beverages before entering the classroom.
 Please put away all electronic devices before entering the classroom.
 This is a school wide policy, and visible electronics **will be confiscated**.
 Please be on time. Tardy students will require permission to enter class

2. Materials required: A three-ring binder with dedicated sections
 A journal notebook for English class only
 A working writing tool

3. Grades will be calculated according to percentage of points earned.

A = 89.5% - 100%
B = 79.5% - 89.4%
C = 69.5% - 79.4%
F = below 69.5%

***Please note: In keeping with the policies of NOW Academy, no Ds will be conferred.**

4. Students should keep all returned work. Grades may not be altered without the relevant work.

That's pretty much it. Although each student is ultimately and personally responsible for her/his own performance, parents and teachers can form a team to encourage the greatest learner achievement. Therefore, please consider me available and our classroom open to you at all times. Visit if you can. If you have questions or concerns, please email me at NOWWaid@gmail.com ; you may also telephone me at (213) 222-8657 and leave a message. I will call you back just as soon as I can. In addition, this year you can also go to happydagger.weebly.com to follow our progress, offer comments, or ask questions. Working together we can make this an absorbing, productive semester. Thank you.

Jeffrey Waid
